- ✓ The Under One Woof Groomer Mentorship Program is a non-accredited grooming instruction program not affiliated with any other organization or school. As a participant in a non-accredited training program, you will receive a certificate of completion but not a diploma or license.
- ✓ Instruction will be provided by Under One Woof owner and master groomer Seiji Morikawa as well as other members of our grooming staff. All instructors have been trained in Japanese and American style grooming.
- ✓ You will receive hands-on training with dogs (and cats, if you choose) that are being groomed for a fee in our facility. You will not receive compensation for your contribution to the grooming.
- ✓ Instruction will include training in bathing as well as grooming techniques. You will be expected to bathe, blow-dry and trim one dog in the morning and one dog in the afternoon under the tutelage of our groomer-instructors. As you progress, you will be trained in increasingly advanced techniques with the goal of exposing you to all breeds. Achievement of that goal will depend on your individual progress.
- ✓ Individuals involved in the program are expected to participate from 9:30 am to 5:30 pm Tuesday Saturday. There will be no instruction on Thanksgiving Day, Christmas Day and New Year's Day. Up to five excused and approved absences are permitted during the program. Excessive absence or tardiness may result in dismissal from the program and forfeiture of payments to date.
- ✓ Individuals wishing to discontinue participation on the program may do so at any time, however payments made to date will not be refunded. Under One Woof reserves the right to dismiss participants who fail to meet the requirements of the program.
- ✓ Participants are expected to provide all necessary tools and uniforms. Under One Woof will provide a textbook which will be yours to keep.
- ✓ Participants are expected to follow all procedures in our Safety Program. Under One Woof is not liable for injuries suffered by participants in the course of grooming.
- ✓ The cost of the program is \$2,500 payable in an initial installment of \$850 and two additional installments of \$825. The first installment is due on the first day of instruction; subsequent installments are due on the first day of the second and third months of instruction. Once paid, the installments are non-refundable. Payment is accepted by cash or check made out to Under One Woof.
